RE: Open Records Request

Dear Ms. Coutts:

I received your open records request for documents provided in response to the letter dated on or about May 8, 2013 from the Energy and Commerce Committee of the U.S. House of Representatives, requesting information relating to the regulation and monitoring of abortions in Georgia. There are no records in response to your request as the subject matter is not within the jurisdiction of the Department of Public Health (DPH), and as such, DPH has not provided a response. The letter has been forwarded to other agencies including the Departments of Community Health and Human Resources.

Sincerely,

Simone Brathwaite
Associate General Counsel
